→ CITY CENTER SHARJAH SHARJAH, UAE.

Having 120 international lifestyles, electronic, fashion, and convenience retail brands, City Centre Sharjah is estimated to attract more than 11 million visitors each year. As one of the largest shopping destinations in the emirate, City Centre Sharjah also offers 16 distinct dining outlets, Magic Planet, and a multi-screen VOX Cinemas complex.

While being the trusted lighting partner of Majid Al Futtaim, **SWITCH MADE** Group was commissioned to deliver a specific illumination project at City Center Sharjah. The main goal for this project is to fulfil the specific lighting requirements of the Food Court area which requires 400 lux with a 6M ceiling in the least common consumption.

The quality of lighting technology Switch Made provides is not only for the precise distribution of light but also to deliver an enjoyable dining experience and to have a long-term cost-efficiency of the lighting installation.
