→ CITY CENTRE MIRDIF DUBAI, UAE.

The award-winning Mirdif City Centre reinforces Dubai's role as an international retail destination, but it also takes its role as a trend-setter a step further. By pursuing **LEED Gold certification**, addressing local context and community, and incorporating comprehensive water resource and energy-saving strategies, the 230,000-SM center sets a high standard for future sustainable development in the area. **SWITCH MADE** provided its indoor and outdoor solutions to the desert region's first eco-friendly retail center.
