

OUTDOOR & FAÇADE

→ ENOC PAVILION EXPO2020, DUBAI, UAE.

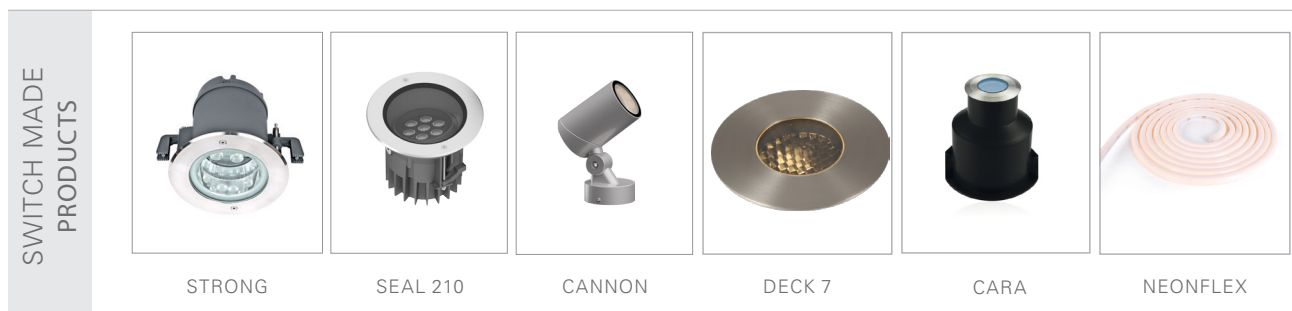

Being one of the pioneers in Hybrid Lighting, **SWITCH MADE** Group has achieved another breakthrough in terms of promoting environmental sustainability; through providing energy-efficient LED lighting solutions to the Official Integrated Energy Partner of Expo 2020 Dubai, ENOC Pavilion.

ENOC Pavilion at the World Expo will highlight the principles of energy and knowledge about the incredible scale of the energy story through a 180-degree, breathtaking shared cinematic experience featuring a bold audiovisual landscape through mesmerizing light and sound.

Having a long and successful history of delivering green building projects across the globe, SWITCH MADE Group is grateful to be a part of ENOC Pavilion's aim to showcase the best of the class landscape lighting solutions to the world at the Expo 2020 Dubai.

OUTDOOR & FAÇADE

→ DUBAI CHAMBER OF COMMERCE AND INDUSTRY

DEIRA, DUBAI, UAE.

Dubai Chamber of Commerce & Industry is a non-profit public organization whose mission is to support and protect the interests of the business community in Dubai, the high-rise building stands at 91 meters (299 ft) in height and is ranked as the seventh-tallest building in Dubai at the time of its construction in 1995.

Recently, **SWITCH MADE** Group in collaboration with Fractal Systems has completed another exquisite project with the Dubai Chamber of Commerce and Industry by delivering high-efficient LED-powered RGBW DMX lighting solutions for its Façade Lighting Project.
