

COMMERCIAL MALLS

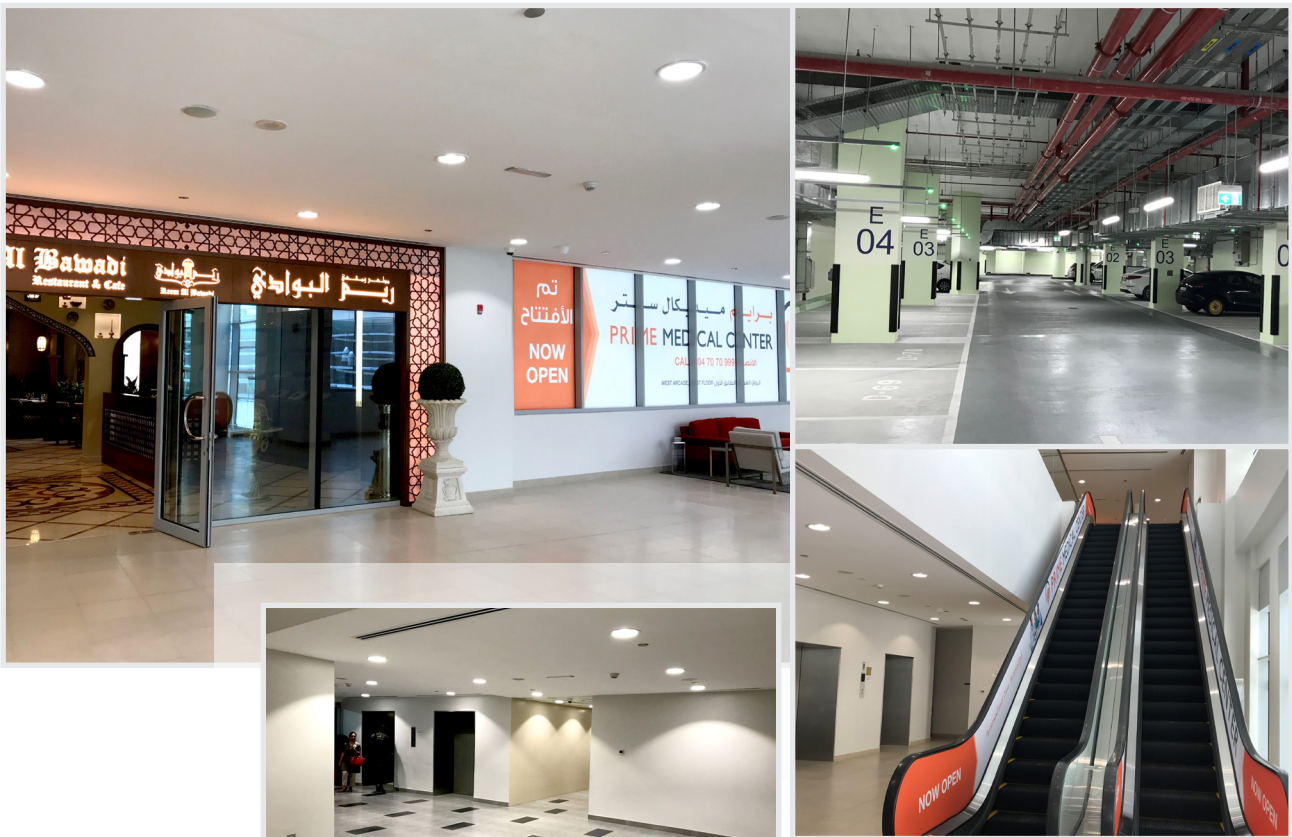

➔ FIRST AVENUE MALL MOTOR CITY, DUBAI, UAE.

First Avenue Mall was designed as an environmental friendly, contemporary, European-style mall, with an indoor-outdoor boulevard and Arabesque influences. It is a social and retail hub, strategically located in the rapidly growing suburban area of Dubai Motor City with a distinct automotive and lifestyle theme. **SWITCH MADE** manufactured and supplied a selection of its lighting solutions for both the internal areas as well as parking areas of the mall in order to deliver a memorable retail experience.
