

OUTDOOR & FAÇADE

➔ LUXEMBOURG PAVILION EXPO2020, DUBAI, UAE.

We are thrilled to share that **SWITCH MADE** Group is selected to manufacture tailored indoor and outdoor lighting solutions for the complete Luxembourg Pavilion at the World Expo in Dubai.

Switch Made Group was able to manufacture energy-efficient bespoke lighting solutions that matched the specific lighting requirements of the eccentric architecture of Luxembourg Pavilion: Möbius strip, in which a twisted and folded ribbon has no beginning and no end.

OUTDOOR & FAÇADE

➔ LUXEMBOURG PAVILION EXPO2020, DUBAI, UAE.

The Luxembourg Pavilion itself is articulated towards the idea of “Resourceful Luxembourg,” a position that strives to promote Luxembourg’s economy, tourism, and culture to offer an unforgettable experience to its visitors. The same notion resonates with **SWITCH MADE** Group’s objectives to provide innovative and bespoke lighting solutions to different clients across the globe.

We are very proud to become a part of the successful completion of the Luxembourg Pavilion at the Expo2020Dubai.
