→ SCHOOL OF RESEARCH AND SCIENCE

AL WARQA, DUBAI, UAE.

Located in Al Warqa area in Dubai, the School Of Research and Science (65,000 sqm of surface) is fully lighted by **SWITCH MADE**. We once again provided a complete solution, from the lighting design 100% LED, the drawings study, the manufacturing and customization to the delivery on site. Our know how in this type of project brings a major added value in the whole lighting value chain. This way, we do not talk product anymore but LED solutions instead.
