→ SHEIKH FAISAL BIN QASSIM AL THANI MUSEUM

AL SHAHEENIYA, DOHA, QATAR

SWITCH MADE has achieved another astonishing success in providing a complete lighting solution to one of the oldest and famous museums in Qatar, Sheikh Faisal Bin Qassim Al Thani Museum (FBQ) after providing their solutions to Opera Gallery in Singapore and Dubai.

To ensure that all exhibits are shown to their best advantage, Switch Made has done the best possible design keeping in view all the artworks and vintage cars are well illuminated not causing glare or reflection, and having the right exposure exactly where is required.
