Here at **SWITCH MADE** Group, we always pride ourselves on the latest and most advanced LED lighting solutions that are trusted by all of our prestigious partners.

Owned and managed by Majid Al Futtaim Cinemas, VOX Cinemas is the cinema division of Majid Al Futtaim - the leading shopping malls, communities, retail, and leisure pioneer over the Middle East, Africa, and Central Asia, and also recognized as the Middle East's most innovative and customer-focused exhibitor, and the fastest-growing cinema business in the MENA region.

Over the years, VOX cinema has been keeping **SWITCH MADE** Group as its lighting partner to illuminate the majority of VOX Cinemas across the Middle East. Precise luminaires were thoroughly picked to perfectly fit and serve their illumination purpose to all specific areas and facilities inside the cinema. Together with VOX Cinema, Switch Made Group is committed to providing new and innovative solutions to improve the customers' viewing experience.
