

➔ PRIVATE VILLA AL BARSHA 2, DUBAI, UAE.

A wide range of **SWITCH MADE** lights with excellent visual comfort presents this Private Villa in Dubai, UAE a different cozy atmosphere. Upon entry into the villa, people will be greeted by a mini garden space flooded with ground-recessed lights that illuminate the walls. Looking outside from the main living room, the full-glass panels enable the homeowner to enjoy a nice view of the outdoor swimming pool and landscape areas lighted up with Switch Made's IP-rated luminaires.

To complete the whole interior lighting design, linear profile luminaires ceiling recessed spaces in the ceiling for aesthetic and indirect lighting designs, and a series of LED track lights to emphasize fascinating art pieces.
